

## REMARKS

The Examiner has determined that he would require the following publication to examine this application:

“Effects of Disc-Microwaviness in an Ultra-High Density Magnetic Recording System”  
presented by Wei YAO, David KUO and Jing GUI at ASME Tribology Conference 1999 in  
Orlando Florida

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. -1952** referencing attorney docket No. **146712013800**.

Dated: October 17, 2005
